## FROM THE PRESIDENT'S DESK

Dear Readers,

I feel very fortunate to be a part of the confluence of education, research and welfare services being provided by Shri Ramkrishna Seva Mandal since more than 6 decades.

The classical defining boundaries of life have been impacted by the advancement in technology. The approach to teaching – learning – research has changed and a paradigm shift has occurred in the delivery of welfare services. Being associated with Shri Ramkrishna Seva Mandal since almost 20 years, I have been the witness of the ability of our Campus to address these changes skillfully.

The educational and research based programmes on offer at Shri Ramkrishna Seva Mandal have evolved and adapted well to the expected standards of employment market and dynamic needs of the society. In the frequently transforming world, our commitment to our students and all our stakeholders remains constant. Finally, I wish to accentuate that our Campus is more than textbooks and studying, it is a Campus where we help the individual to become aware of their potential in life and empower them to lead. I welcome you all.

With Warm regards  
**Shri Hemantbhai Patel**  
President (Trust), SRKSM

## FROM THE HON. SECRETARY'S DESK

Dear Readers,

On behalf of the entire Shri Ramkrishna Seva Mandal family, I am pleased to introduce you to Shri RamkrishnaSeva Mandal, and to offer my vision for our Campus.

Today, the call emanate from a world that has experienced an explosion of knowledge, but not a corresponding growth in understanding; a world that too often lacks trust in its leaders and faith in its institutions. It is a world that has developed wondrous technologies that link continents, but isolate human beings, leaving human beings weary and dispirited, feeling distant from moral purpose, uncertain about knowledge or the very worth of human endeavour.

Shri Ramkrishna Seva Mandal is uniquely capable of answering this call, of speaking to this world. As a campus of higher education, research and welfare services, we are committed to the discovery and transmission of knowledge and advancing human welfare. We endeavour to educate a new generation of leaders—men and women capable of shaping the future with vision, justice, and professionalism —with a sense of calling, with concern for all of the human family.

We pursue this challenge at Shri Ramkrishna Seva Mandal campus and invite you to join us as a prospective student, parent, or friend.

With Warm regards  
**Smt. Jyotsana Patel**  
Hon. Secretary, SRKSM
