FROM THE PRESIDENT'S DESK

Dear Readers,

Shri Ramkrishna Seva Mandal has been a hub of education in ચરોતર since 1954 when people were not aware, conscious, and serious about education. SRKSM is well known for Education, Health Care, Research, and Social welfare with a mission of 'બહુ જન હિતાય, બહુ જન સુખાય'.

I feel fortunate to be associated with such a trust which has a history of creating better conditions in society. The stable development and achievement of SRKSM is mainly due to the leadership and teamwork of all associated with SRKSM.

I congratulate Smt. Jyotsana Patel and her entire team for remarkable achievements of trust in the educational and welfare field.

I also congratulate the team of SUKRIT for bringing up notable progress and news of SRKSM institutes in front of people.

With Warm regards

Shri Hemantbhai Patel

President (Trust), SRKSM

FROM THE HON. SECRETARY'S DESK

Dear Readers,

"Education is One Thing No One Can Take Away from You." - Elin Nordegren
SRKSM, being an educational trust, is the best example of the above proverb since 1954 with a duty of 'બહુ જન હિતાય, બહુ જન સુખાય'.

We aim to educate and empower the youth to help them grow and settle in society with intellectual awareness. Apart from this, SRKSM is dedicated to serving in health care, social welfare, and Research. All these sectors are well nurtured with the help of 30 institutes of SRKSM and its efficient and proficient

staff members. I feel so enlightened about being a witness to that.

Together, we have achieved remarkable milestones, fostering a vibrant educational ecosystem that is spread and shared with the help of SUKRIT.

I am pleased that I have received support from the entire SRKSM family members in the steady and upward journey for the progress of trust. Without teamwork, it wouldn't have been possible.

I wish all health, happiness and success to each member of SRKSM.

With Warm regards

Smt. Jyotsana Patel

Hon. Secretary, SRKSM

FROM PRINCIPAL'S DESK

Anand College of Education is a well-recognized and fabled institute in the field of Education. The resilient foundation of the organization was initiated in 2003 with the motto of “Manifestation of Whole”. This is the second self-financed B.Ed. institute which is affiliated with Sardar Patel University and the very first NAAC-accredited institute among all SF B.Ed. colleges. Recently the institute has completed 20 glorious years of journey in the education field with notable progress i.e. achieved five-time Gold medal in Gujarati subject at the university exam. We are lucky and graced with rich experienced and well-qualified faculty members who create wonderful academic surroundings for student-teachers to achieve their academic goals and nurture them as responsible citizens and better human beings.

In the development of ACE and its stakeholders, the irreplaceable efforts of Shri Ramkrishna Seva Mandal play a crucial role.

I am thankful for the cooperation and support of the Chairperson, editor, and entire team of SUKRIT in their exertion to bring out the greatest.

With a joyful heart, I extend congratulations to Hon. Secretary Smt. Jyotsnaben Patel and Hon. President Shri Hemantbhai Patel for the progress and expansion of SRKSM with futuristic wisdom. Mr. Dasharathsinh G. Solanki
