## FROM THE PRESIDENT'S DESK

Dear Reader,

Shri Ram Krishna Seva Mandal is one of the leading managing trusts of not only Anand District, but also of Gujarat State, running more than 30 institutes successfully. SRKSM works with the Slogan of “**बहुजन हिताय, बहुजन सुखाय**”, which itself reflects the noble motive of serving mankind selflessly. At SRKSM, different projects, research studies, seminars, CMEs are conducted by various institutes regularly, in which eminent speakers from all over India are invited to share their knowledge and experience and thereby we provide one of the soothing and healthy environment in terms of innovative opportunities and liberty for self-development.

Such an approach leads to growth of not only students, but also keeps our academicians updated. Since these two years where the pandemic COVID 19 has deteriorated the education of students up to a great extent, SRKSM with the support of its enthusiastic faculties, have continued the same in forms of webinars, virtual meetings, online teaching; so that to make least compromise with the education of students

I appreciate and congratulate my fellow Trustee members of managing committee, Honorary Secretary, our entire staff, and everyone connected with us for their efforts to ensure the smooth functioning of all the institutes of SRKSM.

With Regards,

**Shri Hemantbhai Patel,**  
President (Trust),  
Shri Ramkrishna Seva Mandal

## FROM THE HON. SECRETARY'S DESK

Dear Reader,

It is rightly said, “Give a man a fish, he eats for a day. Teach a man to fish, he eats for a lifetime”

SRKSM, being an academic trust, is the best example of above proverb. Running Schools and Colleges, SRKSM has successfully carried the responsibility of nurturing the small, tiny taut to a responsible human being. SRKSM rather than making one a “book worm”, emphasizes on practical implementation of own's knowledge during their learning. SRKSM provides a platform

to the youth to be able to withstand all the odds of life. The students are stepping towards achieving their life goals here at SRKSM under the guidance of experienced and knowledgeable faculties. Our faculties too, with the help of advanced technology, without keeping any prejudice, along with educating the students, also teach them life lessons for their betterment. With the perfect co-ordination of the entire staff, SRKSM works as a team to brighten the student's future.

We also run “old age home” for old people, which puts SRKSM at newer heights. Such place is the shelter for needy, lonely people.

I am satisfied that I have got all support from the entire staff. (Teaching and non teaching) from various institutes of SRKSM in achieving what we are today as the management. Without teamwork, it wouldn't have been possible.

I wish all health, happiness and success to each staff of SRKSM in their life ahead

Warm Regards,

**Smt. Jyotsana Patel,**  
Hon' Secretary (Trustee),  
Shri Ramkrishna Seva Mandal.

## FROM PRINCIPAL'S DESK

Anand Homoeopathic Medical College and Research Institute, Anand is the leading Grant In Aid Institute in the field of Homoeopathy, being successfully run by SRKSM since 1980. Today when the demand of Homoeopathy is increasing day by day among the community, we, at our institute, emphasis on the role of Homoeopaths in the community.

In today's world of globalization, where people develop many health issues, our faculties make our students aware of strength of our medicines by sharing their experiences. We have expert, experienced faculties to make the clinical understanding of the students better.

Besides studies, our students actively take part in extraco-curricular activities that are very crucial for one's overall development and thereby emphasizing on individual growth also.

In this pandemic of Covid-19, all of us have experienced the outstanding result of Homoeopathy. Our doctors and interns are working 24 X 7 to save people's lives. During the initial phase of this pandemic our institute had distributed lots of prophylactic Homoeopathic medicines against covid 19 as part of our social responsibility. Anand Homoeopathic Hospital is also designated as COVID Vaccination Centre by District Health Department, and many people got benefitted from there.

Through "SUKRIT", a magazine published by Shri Ramkrishna Seva Mandal, we can update ourselves about the performances of the students as well as faculties of different institute of SRKSM in various educational and co-curricular activities on national and international platform. We take guidance from senior, experienced faculties, accept innovative ideas from everyone associated with SRSKM, to make our outcome at our best in the form of SUKRIT. I congratulate the entire SRKSM team on publication of latest issue of SUKRIT. I wish SUKRIT will reach everyone worldwide in coming years. We will continue to walk in this path of betterment of society which is the motto of our organization " बहुजन हिताय, बहुजन सुखाय "
